

LOCATE YOUR BUSINESS IN THE OASIS OF NEVADA

Education

Churchill County School District (CCSD) provides public educational services, Pre-K through Adult Education. Their nearly 300 teachers are serving 4,300 students in 5 Elementary Schools, 1 Jr High School and 1 comprehensive High School. Churchill County High School (CCHS) is large enough to offer a variety of courses by experts in their fields, yet small enough so that students receive individual guidance and assistance. CCHS offers qualifying students National Honor Society membership, NJROTC, Advanced Placement, athletics, and a variety of 21st century programs.

Student achievement and professional development are at the focus of all decisions made throughout the school district. District personnel are committed to ever-improving student achievement as measured by state and federal agencies. They have deepened their commitment to successful programs that help support the delivery of instruction. Students have access to a variety of programs before and after school. Please visit CCSD's website to learn more about them at www.churchill.k12.nv.us or by calling Educational Services at 775-423-5184.

Technology

CC Communications is deeply rooted in the history of Churchill County, Nevada. The company started serving the community in 1889 and, since then, has become a full service state-of-the-art telecommunications provider. In addition to offering Telephone, Long Distance, Internet, Wireless and Television service, they offer fully redundant fiber optic connectivity to points outside Churchill County to facilitate all your telecommunications needs. CC Communications welcomes your prospective business to tour its facilities and see for yourself the scope of its operations. Contact Patti Brown at 775-423-7654 ext. 1215 to schedule a tour.
